

## Listado aves Miraflores de la Sierra

| <u>Nombre común</u>      | <u>Nombre científico</u> | <u>Nombre en inglés</u> | <u>Estatus</u>       | <u>Habitat</u>            | <u>Dificultad</u> |
|--------------------------|--------------------------|-------------------------|----------------------|---------------------------|-------------------|
| <b>ANATIDAE</b>          |                          |                         |                      |                           |                   |
| ánsar común              | Anser anser              | Greylag Goose           | Paso                 | Acuáticos                 | Media             |
| ánade azulón             | Anas platyrhynchos       | Mallard                 | Residente/Invernante | Acuáticos                 | Fácil             |
| <b>PHASIANIDAE</b>       |                          |                         |                      |                           |                   |
| perdiz roja              | Alectoris rufa           | Red-legged Partridge    | Residente            | Matorral                  | Fácil             |
| codorniz común           | Coturnix coturnix        | Common Quail            | Estival/Paso         | Alta montaña/Pastizales   | Difícil           |
| <b>PHALACROCORACIDAE</b> |                          |                         |                      |                           |                   |
| cormorán grande          | Phalacrocorax carbo      | Great Cormorant         | Invernante/Paso      | Acuáticos                 | Media             |
| <b>ARDEIDAE</b>          |                          |                         |                      |                           |                   |
| garza real               | Ardea cinerea            | Grey Heron              | Residente            | Acuáticos                 | Fácil             |
| <b>CICONIIDAE</b>        |                          |                         |                      |                           |                   |
| cigüeña blanca           | Ciconia ciconia          | White Stork             | Residente            | Medios humanizados/Pastiz | Fácil             |
| <b>ACCIPITRIDAE</b>      |                          |                         |                      |                           |                   |
| abejero europeo          | Pernis apivorus          | European Honey Buzzard  | Estival              | Forestal                  | Media             |
| milano negro             | Milvus migrans           | Black Kite              | Estival              | Forestal                  | Fácil             |
| milano real              | Milvus milvus            | Red Kite                | Residente/Invernante | Forestal                  | Fácil             |
| buitre leonado           | Gyps fulvus              | Griffon Vulture         | Residente            | Roquedos                  | Fácil             |
| buitre negro             | Aegypius monachus        | Cinereous Vulture       | Residente            | Forestal                  | Fácil             |
| culebrera europea        | Circaetus gallicus       | Short-toed Snake Eagle  | residente            | Forestal                  | Media             |
| azor común               | Accipiter gentilis       | Northern Goshawk        | Residente            | Forestal                  | Media             |
| gavilán común            | Accipiter nisus          | Eurasian Sparrowhawk    | Residente/Invernante | Forestal                  | Fácil             |

|                         |                   |                        |           |          |         |
|-------------------------|-------------------|------------------------|-----------|----------|---------|
| busardo ratonero        | Buteo buteo       | Common Buzzard         | Residente | Forestal | Fácil   |
| águila imperial ibérica | Aquila adalberti  | Spanish Imperial Eagle | Paso      | Forestal | Difícil |
| águila real             | Aquila chrysaetos | Golden Eagle           | Residente | Roquedos | Media   |
| águila calzada          | Aquila pennata    | Booted Eagle           | Estival   | Forestal | Fácil   |

#### FALCONIDAE

|                  |                   |                  |           |                   |       |
|------------------|-------------------|------------------|-----------|-------------------|-------|
| cernícalo vulgar | Falco tinnunculus | Common Kestrel   | Residente | Forestal/Roquedos | Fácil |
| alcotán europeo  | Falco subbuteo    | Eurasian Hobby   | Estival   | Forestal          | Media |
| halcón peregrino | Falco peregrinus  | Peregrine Falcon | Residente | Roquedos          | Media |

#### RALLIDAE

|                 |                     |                |           |           |       |
|-----------------|---------------------|----------------|-----------|-----------|-------|
| gallineta común | Gallinula chloropus | Common Moorhen | Residente | Acuáticos | Media |
|-----------------|---------------------|----------------|-----------|-----------|-------|

#### GRUIDAE

|              |           |              |      |           |       |
|--------------|-----------|--------------|------|-----------|-------|
| grulla común | Grus grus | Common Crane | Paso | Acuáticos | Media |
|--------------|-----------|--------------|------|-----------|-------|

#### CHARADRIIDAE

|                 |                    |                   |            |            |         |
|-----------------|--------------------|-------------------|------------|------------|---------|
| avefría europea | Vanellus vanellus  | Northern Lapwing  | Invernante | Pastizales | Media   |
| chocha perdiz   | Scolopax rusticola | Eurasian Woodcock | Invernante | Forestal   | Difícil |
| andarríos chico | Actitis hypoleucos | Common Sandpiper  | Residente  | Acuáticos  | Media   |

#### LARIDAE

|                 |                            |                          |                 |           |       |
|-----------------|----------------------------|--------------------------|-----------------|-----------|-------|
| gaviota reidora | Chroicocephalus ridibundus | Black-headed Gull        | Invernante/Paso | Acuáticos | Fácil |
| gaviota sombría | Larus fuscus               | Lesser Black-backed Gull | Invernante/Paso | Acuáticos | Fácil |

#### COLUMBIDAE

|                  |                       |                        |           |                    |         |
|------------------|-----------------------|------------------------|-----------|--------------------|---------|
| paloma doméstica | Columba domestica     | Rock Dove              | Residente | Medios humanizados | Fácil   |
| paloma torcaz    | Columba palumbus      | Common Wood Pigeon     | Residente | Forestal           | Fácil   |
| paloma zurita    | Columba oenas         | Stock Dove             | Residente | Forestal           | Difícil |
| tórtola turca    | Streptopelia decaocto | Eurasian Collared Dove | Residente | Medios humanizados | Fácil   |

|                         |                        |                      |           |                             |         |
|-------------------------|------------------------|----------------------|-----------|-----------------------------|---------|
| tórtola europea         | Streptopelia turtur    | European Turtle Dove | Estival   | Forestal                    | Media   |
| <b>CUCULIDAE</b>        |                        |                      |           |                             |         |
| críalo europeo          | Clamator glandarius    | Great Spotted Cuckoo | Estival   | Forestal                    | Media   |
| cuco común              | Cuculus canorus        | Common Cuckoo        | Estival   | Forestal                    | Fácil   |
| <b>TYTONIDAE</b>        |                        |                      |           |                             |         |
| lechuza común           | Tyto alba              | Barn Owl             | Residente | Medios Humanizados          | Difícil |
| <b>STRIGIDAE</b>        |                        |                      |           |                             |         |
| autillo europeo         | Otus scops             | Eurasian Scops Owl   | Estival   | Forestal                    | Fácil   |
| búho real               | Bubo bubo              | Eurasian Eagle-Owl   | Residente | Roquedos                    | Difícil |
| mochuelo común          | Athene noctua          | Little Owl           | Residente | Medios Humanizados/Forestal | Fácil   |
| cárabo común            | Strix aluco            | Tawny Owl            | Residente | Forestal                    | Fácil   |
| <b>CAPRIMULGIDAE</b>    |                        |                      |           |                             |         |
| chotacabras europeo     | Caprimulgus europaeus  | European Nightjar    | Estival   | Matorral/Forestal           | Fácil   |
| chotacabras cuellirrojo | Caprimulgus ruficollis | Red-necked Nightjar  | Estival   | Matorral/Forestal           | Fácil   |
| <b>APODIDAE</b>         |                        |                      |           |                             |         |
| vencejo común           | Apus apus              | Common Swift         | Estival   | Medios Humanizados          | Fácil   |
| <b>MEROPIDAE</b>        |                        |                      |           |                             |         |
| abejaruco europeo       | Merops apiaster        | European Bee-eater   | Estival   | Pastizales                  | Fácil   |
| <b>UPUPIDAE</b>         |                        |                      |           |                             |         |
| abubilla                | Upupa epops            | Hoopoe               | Estival   | Forestal/Pastizales         | Fácil   |

### PICIDAE

|                          |                   |                           |           |          |       |
|--------------------------|-------------------|---------------------------|-----------|----------|-------|
| torcecuello euroasiático | Jynx torquilla    | Eurasian Wryneck          | Estival,  | Forestal | Media |
| pito real                | Picus viridis     | European Green Woodpecker | Residente | Forestal | Fácil |
| pico picapinos           | Dendrocopos major | Great Spotted Woodpecker  | Residente | Forestal | Fácil |
| pico menor               | Dendrocopos minor | Lesser Spotted Woodpecker | Residente | Forestal | Media |

### ALAUDIDAE

|                    |                           |                         |           |                         |         |
|--------------------|---------------------------|-------------------------|-----------|-------------------------|---------|
| terrera común      | Calandrella brachydactyla | Greater Short-toed Lark | Estival,  | Pastizales              | Difícil |
| cogujada común     | Galerida cristata         | Crested Lark            | Residente | Pastizales              | Fácil   |
| cogujada montesina | Galerida theklae          | Thekla Lark             | Residente | Pastizales              | Fácil   |
| alondra totovía    | Lullula arborea           | Woodlark                | Residente | Pastizales/Forestal     | Fácil   |
| alondra común      | Alauda arvensis           | Eurasian Skylark        | Residente | Pastizales/Alta Montaña | Fácil   |

### HIRUNDINIDAE

|                    |                        |                      |           |                    |       |
|--------------------|------------------------|----------------------|-----------|--------------------|-------|
| avión zapador      | Riparia riparia        | Sand Martin          | Paso      | Pastizales         | Media |
| avión roquero      | Ptyonoprogne rupestris | Eurasian Crag Martin | Residente | Roquedos           | Fácil |
| golondrina común   | Hirundo rustica        | Barn Swallow         | Estival   | Medios Humanizados | Fácil |
| golondrina dáurica | Cecropis daurica       | Red-rumped Swallow   | Estival   | Roquedos           | Fácil |
| avión común        | Delichon urbicum       | Common House Martin  | Estival   | Medios Humanizados | Fácil |

### MOTACILLIDAE

|                     |                   |                |                      |                         |         |
|---------------------|-------------------|----------------|----------------------|-------------------------|---------|
| bisbita campestre   | Anthus campestris | Tawny Pipit    | Estival              | Pastizales/Alta Montaña | Media   |
| bisbita arbóreo     | Anthus trivialis  | Tree Pipit     | Estival              | Forestal                | Difícil |
| bisbita pratense    | Anthus pratensis  | Meadow Pipit   | Invernante           | Pastizales              | Fácil   |
| bisbita alpino      | Anthus spinoletta | Water Pipit    | Residente/Invernante | Pastizales/Alta Montaña | Media   |
| lavandera boyera    | Motacilla flava   | Yellow Wagtail | Estival/Paso         | Pastizales              | Media   |
| lavandera cascadeña | Motacilla cinerea | Grey Wagtail   | Residente            | Acuáticos               | Fácil   |
| lavandera blanca    | Motacilla alba    | White Wagtail  | Residente            | Acuáticos/Pastizales    | Fácil   |

### CINCLIDAE

|                        |                 |                       |           |           |         |
|------------------------|-----------------|-----------------------|-----------|-----------|---------|
| mirlo-acuático europeo | Cinclus cinclus | White-throated Dipper | Residente | Acuáticos | Difícil |
|------------------------|-----------------|-----------------------|-----------|-----------|---------|

### TROGLODYTIDAE

|               |                         |             |           |                   |       |
|---------------|-------------------------|-------------|-----------|-------------------|-------|
| chochín común | Troglodytes troglodytes | Winter Wren | Residente | Matorral/Forestal | Fácil |
|---------------|-------------------------|-------------|-----------|-------------------|-------|

### PRUNELLIDAE

|                |                    |                 |            |              |         |
|----------------|--------------------|-----------------|------------|--------------|---------|
| acentor común  | Prunella modularis | Dunnock         | Residente  | Alta Montaña | Fácil   |
| acentor alpino | Prunella collaris  | Alpine Accentor | Invernante | Alta Montaña | Difícil |

### TURDIDAE

|                    |                         |                      |                      |                             |         |
|--------------------|-------------------------|----------------------|----------------------|-----------------------------|---------|
| petirrojo europeo  | Erithacus rubecula      | European Robin       | Residente/Invernante | Matorral/Forestal           | Fácil   |
| ruiseñor común     | Luscinia megarhyncho    | Common Nightingale   | Estival              | Matorral                    | Fácil   |
| ruiseñor pechiazul | Luscinia svecica        | Bluethroat           | Estival              | Alta Montaña                | Difícil |
| colirrojo tizón    | Phoenicurus ochruros    | Black Redstart       | Residente/Invernante | Roquedos                    | Fácil   |

## MUSCICAPIDAE

|                       |                           |                          |         |          |       |
|-----------------------|---------------------------|--------------------------|---------|----------|-------|
| papamoscas gris       | <i>Muscicapa striata</i>  | Spotted Flycatcher       | Paso    | Forestal | Fácil |
| papamoscas cerrojillo | <i>Ficedula hypoleuca</i> | European Pied Flycatcher | Estival | Forestal | Fácil |

## AEGITHALIDAE

|            |                            |                 |           |          |       |
|------------|----------------------------|-----------------|-----------|----------|-------|
| mito común | <i>Aegithalos caudatus</i> | Long-tailed Tit | Residente | Forestal | Fácil |
|------------|----------------------------|-----------------|-----------|----------|-------|

## PARIDAE

|                      |                              |                      |           |          |       |
|----------------------|------------------------------|----------------------|-----------|----------|-------|
| herrerillo capuchino | <i>Lophophanes cristatus</i> | European Crested Tit | Residente | Forestal | Fácil |
| carbonero garrapinos | <i>Periparus ater</i>        | Coal Tit             | Residente | Forestal | Fácil |
| herrerillo común     | <i>Cyanistes caeruleus</i>   | Eurasian Blue Tit    | Residente | Forestal | Fácil |
| carbonero común      | <i>Parus major</i>           | Great Tit            | Residente | Forestal | Fácil |

### SITTIDAE

|               |                       |                   |           |          |       |
|---------------|-----------------------|-------------------|-----------|----------|-------|
| trepador azul | <i>Sitta europaea</i> | Eurasian Nuthatch | Residente | Forestal | Fácil |
|---------------|-----------------------|-------------------|-----------|----------|-------|

### CERTHIIDAE

|                   |                              |                        |           |          |       |
|-------------------|------------------------------|------------------------|-----------|----------|-------|
| agateador europeo | <i>Certhia brachydactyla</i> | Short-toed Treecreeper | Residente | Forestal | Fácil |
|-------------------|------------------------------|------------------------|-----------|----------|-------|

### ORIOLIDAE

|                    |                        |                        |         |          |       |
|--------------------|------------------------|------------------------|---------|----------|-------|
| oropéndola europea | <i>Oriolus oriolus</i> | Eurasian Golden Oriole | Estival | Forestal | Fácil |
|--------------------|------------------------|------------------------|---------|----------|-------|

### LANIIDAE

|                     |                        |                   |         |          |         |
|---------------------|------------------------|-------------------|---------|----------|---------|
| alcaudón dorsirrojo | <i>Lanius collurio</i> | Red-backed Shrike | Estival | Matorral | Difícil |
|---------------------|------------------------|-------------------|---------|----------|---------|

|               |                            |                      |           |          |       |
|---------------|----------------------------|----------------------|-----------|----------|-------|
| alcaudón real | <i>Lanius meridionalis</i> | Southern Grey Shrike | Residente | Matorral | Fácil |
|---------------|----------------------------|----------------------|-----------|----------|-------|

|                |                       |                 |         |          |       |
|----------------|-----------------------|-----------------|---------|----------|-------|
| alcaudón común | <i>Lanius senator</i> | Woodchat Shrike | Estival | Matorral | Fácil |
|----------------|-----------------------|-----------------|---------|----------|-------|

### CORVIDAE

|                        |                            |              |           |          |       |
|------------------------|----------------------------|--------------|-----------|----------|-------|
| arrendajo euroasiático | <i>Garrulus glandarius</i> | Eurasian Jay | Residente | Forestal | Fácil |
|------------------------|----------------------------|--------------|-----------|----------|-------|

|                   |                         |                     |           |          |       |
|-------------------|-------------------------|---------------------|-----------|----------|-------|
| rabilargo ibérico | <i>Cyanopica cookii</i> | Azure-winged Magpie | Residente | Forestal | Fácil |
|-------------------|-------------------------|---------------------|-----------|----------|-------|

|              |                  |               |           |                             |       |
|--------------|------------------|---------------|-----------|-----------------------------|-------|
| urraca común | <i>Pica pica</i> | Common Magpie | Residente | Forestal/Medios humanizados | Fácil |
|--------------|------------------|---------------|-----------|-----------------------------|-------|

|                  |                                |                   |           |                      |       |
|------------------|--------------------------------|-------------------|-----------|----------------------|-------|
| chova piquirroja | <i>Pyrrhocorax pyrrhocorax</i> | Red-billed Chough | Residente | Roquedo/Alta montaña | Fácil |
|------------------|--------------------------------|-------------------|-----------|----------------------|-------|

|                     |                        |                 |           |                           |       |
|---------------------|------------------------|-----------------|-----------|---------------------------|-------|
| grajilla occidental | <i>Corvus monedula</i> | Western Jackdaw | Residente | Medios humanizados/Pastiz | Fácil |
|---------------------|------------------------|-----------------|-----------|---------------------------|-------|

|               |                      |              |           |          |       |
|---------------|----------------------|--------------|-----------|----------|-------|
| corneja negra | <i>Corvus corone</i> | Carrion Crow | Residente | Forestal | Fácil |
|---------------|----------------------|--------------|-----------|----------|-------|

|               |                     |                |           |                  |       |
|---------------|---------------------|----------------|-----------|------------------|-------|
| cuervo grande | <i>Corvus corax</i> | Northern Raven | Residente | Forestal/Roquedo | Fácil |
|---------------|---------------------|----------------|-----------|------------------|-------|

### STURNIDAE

|                 |                         |                   |           |                           |       |
|-----------------|-------------------------|-------------------|-----------|---------------------------|-------|
| estornino negro | <i>Sturnus unicolor</i> | Spotless Starling | Residente | Medios humanizados/Pastiz | Fácil |
|-----------------|-------------------------|-------------------|-----------|---------------------------|-------|

|                 |                         |                 |            |                           |       |
|-----------------|-------------------------|-----------------|------------|---------------------------|-------|
| estornino pinto | <i>Sturnus vulgaris</i> | Common Starling | Invernante | Medios humanizados/Pastiz | Media |
|-----------------|-------------------------|-----------------|------------|---------------------------|-------|

## PASSERIDAE

|                  |                       |                       |           |                    |       |
|------------------|-----------------------|-----------------------|-----------|--------------------|-------|
| gorrión común    | Passer domesticus     | House Sparrow         | Residente | Medios Humanizados | Fácil |
| gorrión moruno   | Passer hispaniolensis | Spanish Sparrow       | Residente | Forestal           | Media |
| gorrión molinero | Passer montanus       | Eurasian Tree Sparrow | Residente | Medios Humanizados | Fácil |
| gorrión chillón  | Petronia petronia     | Rock Sparrow          | Residente | Roquedo/Forestal   | Media |

## FRINGILLIDAE

|                   |                          |                     |            |          |         |
|-------------------|--------------------------|---------------------|------------|----------|---------|
| pinzón vulgar     | Fringilla coelebs        | Common Chaffinch    | Residente  | Forestal | Fácil   |
| pinzón real       | Fringilla montifringilla | Brambling           | Invernante | Forestal | Difícil |
| serín verdecillo  | Serinus serinus          | European Serin      | Residente  | Forestal | Fácil   |
| verderón común    | Chloris chloris          | European Greenfinch | Residente  | Forestal | Fácil   |
| verderón serrano  | Carduelis citrinella     | Citril Finch        | Residente  | Forestal | Fácil   |
| jilguero europeo  | Carduelis carduelis      | European Goldfinch  | Residente  | Forestal | Fácil   |
| jilguero lúgano   | Carduelis spinus         | Eurasian Siskin     | Invernante | Forestal | Media   |
| pardillo común    | Carduelis cannabina      | Common Linnet       | Residente  | Forestal | Fácil   |
| piquituerto común | Loxia curvirostra        | Red Crossbill       | Residente  | Forestal | Fácil   |
| camachuelo común  | Pyrrhula pyrrhula        | Eurasian Bullfinch  | Invernante | Forestal | Difícil |
| picogordo común   | Coccothraustes coccothr  | Hawfinch            | Residente  | Forestal | Media   |

## EMBERIZIDAE

|                     |                     |                 |            |                          |         |
|---------------------|---------------------|-----------------|------------|--------------------------|---------|
| escribano soteño    | Emberiza cirrus     | Cirl Bunting    | Residente  | Forestal                 | Fácil   |
| escribano montesino | Emberiza cia        | Rock Bunting    | Residente  | Roquedos/Alta Montaña/Ma | Fácil   |
| escribano hortelano | Emberiza hortulana  | Ortolan Bunting | Estival    | Alta Montaña             | Fácil   |
| escribano cerillo   | Emberiza citrinella | Yellowhammer    | Invernante | Forestal                 | Difícil |
| escribano triguero  | Emberiza calandra   | Corn Bunting    | Residente  | Pastizales/Matorral      | Fácil   |
